PROMISE LEDGER DEMO CONTRACT

Northwind Data Processing Addendum

Fictional agreement prepared for the neatHack 2026 Promise Ledger demonstration.

Document	Version 3
Effective date	1 October 2026
Parties	Northwind Analytics Ltd. and Tasklane Software Inc.
Classification	Synthetic demonstration data - not legally binding

This Data Processing Addendum forms part of the fictional services agreement between the parties and defines measurable obligations for customer personal data.

7.2 Deletion and backup retention

Following termination of the Services, Tasklane will delete Northwind's customer personal data within 30 days. Deletion includes application records, audit events, exports, attachments, and backups controlled by Tasklane.

Database snapshots and other retained backups must not remain available beyond the same 30-day period.

9.1 Data residency

Customer personal data belonging to Northwind's European users will be stored and processed only in eu-west-1.

11.3 Subprocessor notice

Tasklane will notify Northwind at least 30 days before adding a new subprocessor and will maintain a current subprocessor list available to Northwind.
